## Welcome to Beadle Middle School!

### Beadle Middle School Jump Start

The transition from elementary school to middle school evokes a wide range of emotions. It is a time for new beginnings, new friends, new teachers and a new building. Students and parents are excited, yet sometimes are a little nervous about the new experiences in middle school.

The goal of *BMS Jump Start* is to provide an early introduction to Beadle Middle School so that you can have a positive and productive start to sixth grade.

*Lockers are always one of the first things fifth grade students tend to worry about, but you can practice with any combination lock!*

### *BMS Jump Start* is designed to:

- ◆ Help students meet new friends before the start of the school year.
- ◆ Introduce students to numerous organizational skills and strategies.
- ◆ Familiarize students with the building.
- ◆ Practice opening school lockers.
- ◆ Acquaint students with some of the staff.
